**PAST PERFORMANCE DOES NOT GUARANTEE FUTURE RESULTS.** Investment return and principal value of an investment will fluctuate; therefore, an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be higher or lower than the performance data quoted. Visit [timothyplan.com](http://timothyplan.com) for the most recent month-end performance.

The Dow Jones Moderate Portfolio Index is a member of the Relative Risk Index Series and designed to measure a total portfolio of stocks, bonds, and cash, allocated to represent an investor's desired risk profile. The Dow Jones Moderate Portfolio Index risk level is set to 60% of the Dow Jones Global Stock CMAA Index's downside risk (past 36 months). It is not possible to invest directly in an index.

The illustration is based on a hypothetical \$10,000 investment in A Class shares. All results shown assume reinvestment of dividends and capital gains. The maximum sales load on Class A shares is 5.5%; the maximum CDSC on Class C shares is 1%.

ACTIVELY MANAGED BRI | A: TCGAX C: TCVCX

## Fund Advisor

Timothy Partners, Ltd., the Advisor to the Trust handles the day-to-day asset allocation of the Fund.

## Objective

The investment objective of the Fund is to generate moderate levels of long-term capital growth.

## Strategy

The Conservative Growth Fund is an asset allocation fund that invests in other Timothy Plan Funds (the "Traditional Funds"). Within the guidelines in the prospectus, the Advisor determines the specific asset allocation program. Each day, the Conservative Growth Fund is open for business, the Advisor reviews the asset allocation program and reallocates, as necessary, for any new assets invested in the Fund. As necessary, TPL also reallocates the Conservative Growth Fund's investments in the Traditional Funds at the end of each fiscal quarter to maintain the asset allocation program.

## Fund Risk

The Conservative Growth Fund is a fund of funds, therefore it is subject to the risks associated with each of the traditional funds and ETFs in which it invests. Because it invests in domestic equity funds and ETFs, it is subject to the specific risks associated with investing in the stock markets, including cap sizes, sector risk, and name selection. It also invests in funds and ETFs comprised of foreign securities; therefore it is subject to the stock risks plus the risks of the foreign exchanges' rules and trade volumes, the foreign governments' actions, and the exchange rates. The Fund invests in traditional bond funds and is therefore subject to the risks associated with yield changes, asset backed securities, credit risks, and sector risk.

**PLEASE SEE THE FUND PROSPECTUS FOR A COMPLETE EXPLANATION OF THE RISKS INVOLVED WITH EACH FUND.** Risk chart is for illustrative purposes only.

**Past performance does not guarantee future results. The performance data quoted represents past performance and current returns may be lower or higher. The investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than the original cost. To obtain performance information current to the most recent month-end, please call the Fund at 800.846.7526.**

**BEFORE INVESTING, CAREFULLY CONSIDER THE FUND'S INVESTMENT OBJECTIVES, RISKS, CHARGES, AND EXPENSES OF THE INVESTMENT COMPANY. A PROSPECTUS IS AVAILABLE FROM THE FUND BY CALLING 800.846.7526, VISITING MF.TIMOTHYPLAN.COM, OR YOUR FINANCIAL PROFESSIONAL THAT CONTAINS THIS AND OTHER MORE COMPLETE, IMPORTANT INFORMATION. PLEASE READ IT CAREFULLY BEFORE INVESTING OR SENDING MONEY.**

*Because the Timothy Plan Funds do not invest in excluded securities, the Funds may be riskier than other funds that invest in a broader array of securities. There are risks when a fund limits its investments to particular sized companies, and all companies are subject to market risk.*

*Investing involves risk, including the potential loss of principal. To read more about Timothy Plan and access fund information, including the prospectus, fact sheets, performance, and holdings for each fund, go online: mutual funds at mf.timothyplan.com. Mutual funds distributed by Timothy Partners, Ltd., member FINRA.*
