Shareholder Services: 800.662.0201

### Fund Advisor

Timothy Partners, Ltd., the Adviser to the Trust, handles the day-to-day asset allocation of the Fund.

### Objective

The Fund's objective is to provide medium to high levels of long-term growth of capital through investing in a diversified mix of Timothy Plan's equity and the High Yield Bond funds.

### Strategy

The Strategic Growth Fund is an asset allocation fund that invests in other Timothy Plan funds (the "Traditional Funds"). Within the guidelines set forth in the prospectus, the Advisor determines the specific asset allocation of the Traditional Funds. Each day the Strategic Growth Fund is open for business, the Advisor reviews the asset allocation program and reallocates, as necessary, for any new assets invested in the Fund. As necessary, TPL also reallocates the Strategic Growth Fund's investments in the Traditional Funds at the end of each fiscal quarter to maintain the asset allocation program.

### Moral Screening
